

Greetings in Christ, fellow Miền Trung Đông Huỳnh Trưởng, Trợ Tá, and Hiệp Sĩ Trưởng Thành!

For this year's retreat, we will have an entertainment portion that we will use as a means of discovering the lives of Saints who are reflections of Mercy. These saints will help us learn how to live our own lives so that we can become merciful or receive the mercy of God.

The performances for Đêm Văn Nghệ will be done by group and be about the Saint that is your team name. Details about the performances are as follows:

What: A Creative Interpretation of your Saint's Life to Show Us How They Are Reflections of Mercy

Who: Everyone on your team should participate in some way!

Time: 10 minutes total (to include time preparing on stage)

How: Each team will pick how they want to perform from the following list. First come, first serve!

Dance (2 Teams)

Musical Theater

Silent Skit

One Syllable Sentences

Freeze Frame (Narration allowed)

Puppet Theater (Narration allowed)

So start discussing with your teams to decide which method you want to perform through and sign up for that method with Tr. Như-Ý (nygee.ntu@gmail.com). Only one team will be allowed to use each method (except for dance, which two teams can sign up for).

Attached is a document with brief descriptions of your Saint to help you get your creativity flowing!

See you there!
